

American College of Toxicology

ACT's International Travel Grant Application Deadline June 1

The American College of Toxicology is offering a limited number of travel grants to toxicologists outside of North America to attend our 37th Annual Meeting in Baltimore, Maryland, November 6–9, 2016.

Each grant will cover the Annual Meeting registration fee, the cost of a round-trip economy airfare, and up to four nights stay at the Baltimore Marriott Waterfront. Recipients will be required to present a poster at the meeting.

To apply for this grant, please submit a copy of your CV along with the title and abstract of your poster. Please also submit a letter (up to 500 words) describing your career aspirations if you are a student, or your commitment to toxicology and your vision for the field if you are not a student.

Application is available
on ACT's website
at www.actox.org.
