American College of Toxicology
Strategic Map: 2017-2019

Mission: To educate, lead, and serve professionals in toxicology and related disciplines by promoting the exchange of information and perspectives on applied toxicology and safety assessment

Optimize College Activities and Strengthen Infrastructure

A
Ensure Scientific Excellence Through Long-Range Planning
- Assure Scientific Quality and Relevance of the Annual Meeting

B
Foster Member Involvement and Professional Development
- Promote/Expand Mentoring for All Members
- Innovate Opportunities for Networking
- Develop and Implement a System to Match Volunteers and Opportunities

C
Preserve ACT’s Identity
- Describe and Communicate ACT’s Identity
- Ensure the Annual Meeting Reflects ACT’s Identity
- Develop and Implement a Long-Range Plan to Preserve the Identity
- Strive for a Sustainable, Balanced Membership and Leadership

D
Align College Resources with Strategic Priorities
- Assess Importance, Impact and Resource Requirements of ACT Activities
- Prioritize Current and Proposed Activities Based on the Assessment
- Align Committee Structure and Other Resources with Prioritized Activities
- Implement Continuous Process Improvement

ACT’s strategic objectives and financial plan will be continually aligned.
