## Forms and Policy Overview

**Guidelines for Chairpersons:** This document provides a checklist of preparations and answers to many common questions for both before and post-meeting; which includes AV setup in each room, course monitors, survey and survey results, and more.

---

**Forms:** All forms in a fillable format are located on the Annual Meeting website at [ACT Annual Meeting](http://www.actox.org/am/am2016/presenter.asp)  
**Slide Template:** The template can be downloaded from the meeting website ([www.actox.org/am/am2016/presenter.asp](http://www.actox.org/am/am2016/presenter.asp)) to ensure continuity among presentations. The meeting slide template use is mandatory for Continuing Educations course presenters and use is strongly encouraged by symposium presenters. Company logos should be limited to the first slide, if present.

---

**ACT Licensing and Agreement Form for Speakers:** This form is only required for Continuing Education Course speakers, due to the printing and distribution of the course booklets. Symposium session speakers do not need to sign this form unless they have been asked to have the session recorded at the meeting.

---

**Expense Reimbursement Form:** This form is to be used for authorized nonmember-invited speakers.

---

**Speaker Reimbursement Guidelines:** Contains policies for nonmember-invited speakers concerning registration and travel reimbursement. In regarding to the Reimbursement Guidelines, ACT members are expected to pay and arrange their own meeting registration, travel, and pay their own expenses associated with the meeting. If possible, the employer of a nonmember-invited speaker would cover travel costs. ACT will provide one-day meeting registration for nonmember-invited speakers, hotel, travel, and meal expenses (as outlined in the Speaker Reimbursement Guidelines). See full documentation for more information.

---

**Sponsorship Form:** Sponsors for each session help defray speaker cost, AV, and other expenses associated with the session. ACT evaluates scientific merit and content foremost, therefore sponsorship is not a requirement.

---

**Sponsorship Benefits:** A list of sponsor benefits based on levels and the list of sponsorship opportunities at the meeting are outlined on the Annual Meeting website at [www.actox.org/am/am2016/sponsors.asp](http://www.actox.org/am/am2016/sponsors.asp).

---

## Federal employees

For speakers who are Federal employees, ACT Headquarters (ACT HQ) will prepare the necessary letters in accordance with agency requirements. As in years past, ACT will be sending a single request to the FDA, EPA, NIH, etc. for all Annual Meeting speakers being requested, so there is no need to send individual requests. Please ensure Elisa Turner ([eturner@actox.org](mailto:eturner@actox.org)) has your Federal employee speaker on the request list and provide full department and agency information, so the request can be sent timely to the proper agency.

If the Federal employee requires any special arrangement other than those set as standard speaker responsibilities this should be brought to our attention immediately. ACT does not make travel, hotel, or other transportation arrangements for speakers.

## **Sponsorship**

Sponsorship is requested from every possible avenue to help defray costs of speaker travel and other meeting costs. Please indicate if ACT HQ can contact an identified company for support. ACT HQ will prepare a letter of request for sponsorship and invoices as required for Symposia and Continuing Education courses. A list of Sponsorship benefits can be found on the Annual Meeting website. Additional questions may be directed to Jordan Ballance (acthq@actox.org) at ACT HQ.

## **Registration**

All members of ACT, whether you are a speaker or chair, are required to register for the meeting, and pay their own way. All nonmember-invited speakers and chairs will be waived a one-day meeting registration (for the day of scheduled session). An ACT HQ staff member will register all nonmember-invited speakers and chairs approximately one month prior to the meeting (an email confirmation will be sent to the email address provided and the early bird rate will be honored). If a nonmember-invited speaker or chair would like to extend his/her meeting registration they must call ACT HQ to provide payment for this registration extension and add any event tickets, such as a Continuing Education course at that time.

## **Housing and Travel Arrangements**

All members and nonmember speakers and chairs must make their own hotel and travel arrangements. Nonmember-invited speakers must follow the Reimbursement Guidelines in order to have the full expenses be reimbursed by the College. All chairs and speakers are encouraged to make arrangements early to obtain the best fares and to ensure they will have a reservation in the ACT HQ hotel (these rooms can go quickly and limited number of Government-rated rooms may or may not be available based on the venue).

## **Publication in the *International Journal of Toxicology***

ACT's official journal, the *International Journal of Toxicology*, publishes manuscripts of sessions from the Annual Meeting. As speakers are preparing slides for the session they usually prepare notes or discussion points that can be used to create an unofficial abstract or manuscript of their talk. Chairs are asked to encourage their speakers to provide this write up prior or immediately following the meeting for publication in the journal. All manuscripts and questions can be sent to the Editor-in Chief of IJT, Mary Beth Genter (marybeth.genter@uc.edu).

## **Questions and Submission of Forms**

Please direct any questions about policies, forms, and requests for travel authorization to Elisa Turner, ACT Program Manager (eturner@actox.org).

Forms and documents for chairs and presenters are located on the Annual Meeting website at [www.actox.org/am/am2016/presenterinfo.asp](http://www.actox.org/am/am2016/presenterinfo.asp). Chairperson/Speaker Timeline

## Guidelines for Organizing and Presenting a Continuing Education Course or Symposium

### **Pre-Meeting**

1. Begin planning early (12 months or so before the meeting) and identify quality scientists who are known to be good speakers. The absolute number of speakers will vary somewhat depending on the topic and the length of the speakers' presentations (approximately 25–45 minutes). Ensure speakers know the time allotment for each presentation and all communications sent to the chair from ACT Headquarters is communicated timely to the speakers.
2. Formulate a travel budget for speakers and solicit funds. Efforts should be made to invite the best available speakers. If there are multiple suitable speakers, chairs should preferentially select those who do not require travel reimbursement. More than one speaker from the same institution or company is strongly discouraged.
3. The chair will confirm with each speaker that his or her contact information may be included in public materials related to the meeting. If the speaker does not approve, ACT Headquarters will be notified when the information is submitted.
4. A member of ACT who has been invited as a speaker is expected to pay his/her own travel expenses. Speakers who are ACT members do not receive a meeting registration discount.

Invited non-ACT member speakers are encouraged to request that his/her employer will sponsor the travel expenses.

Invited nonmember speakers will receive a complimentary one-day registration for the Annual Meeting. Approximately one month prior to the meeting date an ACT Headquarter staff person will register the individual and confirmation email will be sent from ACT Headquarters. At that time, should an extended registration be desired the speaker should contact ACT Headquarters for assistance.

Course/Symposium travel costs for which a source of funding have not been identified or confirmed by the session chairperson must be immediately communicated to the ACT committee chairperson. ACT does not routinely reimburse speakers or provide honoraria. No financial obligations should be made by the session chair without first contacting the chairperson.

# AMERICAN COLLEGE OF TOXICOLOGY

## Guidelines for Organizing and Presenting a Continuing Education Course or Symposium

5. Organize the sequence of the course/symposium and obtain titles of presentations from speakers. Coordinate presentation content to minimize redundancy of material among speakers. Encourage speakers to discuss their intended presentations 3–4 months before the actual meeting. Session chairs are encouraged to host a teleconference and have speakers outline their presentations to avoid overlap/redundancies/gaps. Provide each confirmed speaker with an outline of the course/symposium in advance for planning purposes.
6. All speakers should use Microsoft PowerPoint for their presentations. The use of the ACT slide template is strongly encouraged. The slide template will be available for download from the ACT Annual Meeting website. Any and all video files must be embedded within the presentation and attached as separate files when given to the Chair. There is no guarantee Internet will be provided in the session room.
7. ACT will ensure the appropriate equipment is available in the session room (standard items include: a projector, an aisle microphone, a computer, laser pointer, and timer).
8. Reconfirm each speaker's commitment to the course/symposium and inform the ACT chairperson. The Education Committee chairperson will need a finalized course description at least six months prior to the Annual Meeting to ensure accurate publication online and/or other marketing material.
9. Symposia speakers will provide an abstract by early June for inclusion in the final *Program* by using the online abstract system.
10. During the intervening weeks before the Annual Meeting, maintain contact with your invited speakers to ensure the continuity of the program, and their actual travel plans to the meeting. Continued vigilance may be necessary to ensure that you remain within budget. Speakers will make their own travel plans, but ensure that reservations are made far enough in advance (~60 days prior to meeting date) to take advantage of cheaper fares and any reserved room block at the hotel.
11. The complete, finalized education course materials must be forwarded to the ACT Headquarters office at least two months prior to the Annual Meeting.
12. Session chairpersons, excluding Continuing Education chairpersons, should request that the symposium speakers submit draft slides no later than August 30. This will allow the session chairperson to see if there is any overlap in the presentations.
13. Final slides of the presentation should be sent to the session chairperson at least one full week before the meeting so chairs have a complete copy of the final presentation for all speakers in the symposium, to serve as a backup, if a speaker does not bring his/her presentation.

# AMERICAN COLLEGE OF TOXICOLOGY

## Guidelines for Organizing and Presenting a Continuing Education Course or Symposium

### Meeting Day

14. The chair should schedule a brief meeting (at least one hour prior to the start of the course/symposium) with all invited speakers. Symposia chairs should load all PowerPoint presentations onto the computer ahead of time and make sure all are in working order. Continuing Education course slides (provided by the chairs and speakers for the course booklets) will be loaded by ACT in advanced. Continuing Education course chairs should double check slides in the room prior to the start of the presentation (**there should not be any changes to the slides after the slide deadline in August**). A speaker ready room will also be available on-site for preview and preparation of the presentations (see Annual Meeting *Program* for days and times).
15. Ensure that the appropriate ACT introduction slide(s) is/are projected on the screen as the attendees arrive.
16. It is the chairperson's responsibility to strictly adhere to the course time schedule and speaker sequence. Speakers are well aware of their time allocations, and it is the chairperson's responsibility to ensure timing and punctuality. Remember, allowing early speakers in the program to overextend their time commitment will only penalize the later speakers. If a speaker is unavoidably absent, the chair should declare a recess or invite questions from the earlier presentations. **Under no circumstances should the speaker sequence be changed.**
17. At the end of the course/symposium, the chair should thank the speakers, the financial sponsors, and the audience for participation. Chairs should remind the attendees to fill out the survey that will be sent to them via email.

### Post-Meeting

18. The survey responses will be collected and sent to the session chair approximately one month after the meeting. It is at the discretion of the chair if they would like to provide the feedback to the speaker.
19. All reimbursement forms (if applicable) are due to ACT Headquarters no later than two weeks post-meeting.

# ACT Licensing Permission Agreement and Release Form

1. I grant to ACT a royalty-free license to use, reproduce, and distribute my presentation (including all hand-outs and PowerPoint presentations) in any form in the future, with appropriate attribution to me. I understand that I retain copyright ownership of my presentation. I may use the content in my presentation in any way and may allow others to use it.

2. To the best of my knowledge, my presentation does not violate any copyright, trademark, privacy, proprietary, or personal rights, is factually accurate, and contains nothing defamatory or otherwise unlawful. I have full authority to enter into this agreement and have obtained all necessary permissions or licenses from any individuals or organizations whose material is included or used in my presentation.

Check if copyright release(s) from other(s) attached

Speakers who have created the materials in the course of their employment, including employees of the US government, any foreign government, or other agencies or institutions, may not be able to assign rights, and the license should be provided by the appropriate entity. In the case of government employees, materials may be in the public domain.

3. I authorize ACT to use my name, likeness, photograph, and biographical data in connection with the use and promotion of the program.

4. I provide consent for ACT to record my presentation in audio and/or visual form. I understand that ACT will be the sole copyright owner of the recording and can distribute and sell access, along with any supporting materials.

5. I understand that ACT requests use of the designated ACT PowerPoint and handout templates and logos in connection with this program. I agree not to use ACT templates and logos in any way except in connection with this or other ACT programs.

6. I agree to comply with program-related deadlines provided to me by ACT, including but not limited to deadlines for information, handouts, slides, etc.

7. I agree to notify the program chair immediately in the event that an emergency should prevent me from meeting my obligation as a presenter.

8. During my presentation, I will not engage in any type of promotional marketing or selling of any product or service.

9. I will be responsible for all travel arrangements and expenses that I incur unless ACT preauthorizes travel support. I understand that I otherwise will not receive any royalties, honoraria, or other compensation from ACT in connection with the program or the rights granted above.

Provide exceptions to any statement above \_\_\_\_\_

By signing this Licensing Agreement, I understand and agree to the above terms and conditions.
